Be Thankful

We all have something to be
thankful for.

Do you ever stop to think how
much better off you are than
the average person in any other
part of the world.

Are there many of us hungry
and begging for employment?

Do we have to look forward
with dread to the cold winter,
which takes all we have saved
in the summer, to keep us from
freezing?

How about the neat little
home you occupy, with the
beautiful open-air life?

Some of us may feel blue this
year because we foolishly
speculated, but do not let that
discourage you. It was an ex-
pensive lesson, but you will be
more careful in the future.

With your family and friends
around you next Thursday you
will require a few more articles
for your table, such as Meat
Dishes, Plates, Cups and Sau-
cers, Tumblers, Beer and Wine
Glasses, Carvers, Knives and
Forks, Spoons, etc.

Whether you are rich or poor,
we can supply your wants to
your entire satisfaction.

ALOHA AINA FOR REFORM

Hawaiians In Hilo
Form a New
Party.

DECLARE THEY
ARE REPUBLICANS

Plan to Advance the Interests of
the Native People in Every
Possible Way.

The formation of the local Hawaiian
organization which has caused so many
guesses and aroused so much curiosity
has made its purposes clear. The
preamble to its by-laws which is set
forth below gives expression to natural
emotions of patriotism and purpose
which mark the Hawaiian character.

The name of the organization finally
adopted is Aloha Aina. The name Ha-
waiian Republican Society was discard-
ed after careful consideration. While
the organization will have influence in
politics it is not an avowed political
body. Its main object is to aid Hawa-
lians. It will endeavor to see that de-
serving Hawaiians have profitable em-
ployment. It will encourage the native
young men to enter the industrial race
with energy.

If there are Hawaiians too poor to
go to college, this society will endeavor
to find means of sending them. Its by-
laws will permit the society to enter
upon any commercial business which
may be deemed advisable. Those most
active in its formation desire that the
society mix as little as possible in
politics, though they admit that politics
cannot be excluded altogether. They
have adopted the utterances of Wil-
liam McKinley as their chief article of
faith.

The new Aloha Aina society is not a
resurrection of the old Aloha Aina
which was swallowed up by the Home
Rule political party. The Hilo organiza-
tion is the parent of what all leading
Hawaiians hope will be a network of
similar societies throughout the Islands.
It is their hope that these societies will
result in directing the efforts of Ha-
waiians to a betterment of their condi-
tion in a business, social and educa-
tional way. The preamble adopted reads
as follows:

Whereas, the late President McKinley
in his instructions to the Secretary of
War to be given by that official to the
Philippine Commission, said in part:
"Without hampering them by too spe-
cific instructions, they should in general
be enjoined to devote their attention in
the first instance to the establishment of
municipal government in which the na-
tives of the Islands, both in the cities
and in the rural communities, shall be
afforded the opportunity to manage the
local affairs to the fullest extent of
which they are capable and subject to
the least degree of supervision and con-
trol;" and

Whereas, we as Hawaiians highly ap-
preciate the patriotic attachment which
gives from hampering them by too spe-
cific instructions, they should in general
be enjoined to devote their attention in
the first instance to the establishment of
municipal government in which the na-
tives of the Islands, both in the cities
and in the rural communities, shall be
afforded the opportunity to manage the
local affairs to the fullest extent of
which they are capable and subject to
the least degree of supervision and con-
trol;" and

Now, therefore, we, the members of
Aloha Aina, appreciating the necessity
of unity in politics as in any other great
undertaking in this life, declare that the
principles involved in the instructions of
the late President McKinley, above re-
ferred to, should be extended to our peo-
ple without hampering us by the ap-
pointment of executive officials whose
personal and political interests are sub-
versive of the best interests of our in-
sular Territory.

That we declare our loyal adherence
to the principles and doctrines of the
great republican party as enunciated in
the Philadelphia platform.

That we believe the initial considera-
tion of every movement of our fellow citi-
zens should have for its object a care-
ful culture of fraternal love and regard,
the cultivation and fostering intercourse
of business and friendship by all the
means within our command.

We believe that only by a sound and
industrial policy alone guided by ex-
ecutive officials who know how and will
work to accomplish that end, can we
hope for internal peace and financial and
political prosperity.

That we as a people honor and respect
the great American Union of which we
are now a part. We know no higher
principle than that of right, and in so
recognizing it as taught us by our fathers
we feel that we can be independent
in thought without arrogance, and loyal
and true American citizens without serv-
ility.

We believe that without a compre-
hensive recognition of the sentiments herein
expressed, the financial stability of our
beautiful Island Territory will be shaken
and our loyalty as American citizens
will be dim and confused.

We believe that the Congress of the
United States acted wisely in extending
the unlimited franchise to us, since the
most powerful means of interesting men
in the welfare of their country is to
make them partake in the administra-
tion of its affairs. We believe civic zeal
to be inseparable from the exercise of
political rights, and that a sense of duty
as well as pride will in the future di-
rect us along the pathway of correct
principles.—Hilo Tribune.

Hilo News Notes.
Hackfeld & Co. have transferred
some of their planing mill machinery
to the coffee mill on the mauka side of
Front street where it is running and
taking care of immediate demands.

and will go over all the bridges care-
fully and make a report.

Rev. S. L. Desha has accepted an in-
vitation to deliver an address at Hono-
lulu, December 19, on the occasion of
the 10th anniversary of the founding
of Kamehameha schools. The anniver-
sary will be celebrated upon a magnif-
icent scale.

The people of Hilo will make a vigor-
ous demand that a sea front park be
made of the narrow strip of land be-
tween Front street and the sea from
Walanuene street to the Waialae
river. The title to this strip of land
is now in dispute and the decision of
the Supreme Court is awaited with
great interest. No disinterested person
could be prevailed upon to give his
consent to the perpetuation of the un-
sightly row of shacks that now cumber
this ground. They should be demolish-
ed and removed when Front street is
widened.

KILL THE DANDRUFF GERM

Or Your Hair Will Fall Out Till You
Become Bald.

Modern science has discovered that
dandruff is caused by a germ that digs
up the scalp in scales, as it burrows
down to the roots of the hair, where it
destroys the hair's vitality, causing
falling hair, and, ultimately, baldness.
After Prof. Unna of Hamburg, Ger-
many, discovered the dandruff germ, all
efforts to find a remedy failed until the
great laboratory discovery was made
which resulted in Newbro's Herpicide.
It alone of all other hair preparations
kills the dandruff germ. Without dan-
druff, hair grows luxuriantly. "De-
stroy the cause, you remove the effect."

KOHALA-HILO ROAD.

Information at Hilo That Construction
Will Begin Very Soon.

A Hilo business man in San Fran-
cisco writes to a friend here that he
had seen one of the backers of the
proposed Kohala-Hilo railroad and was
told by him that the construction of the
road was assured. Some details re-
mained to be perfected and when
finished work on the road would begin.
It is said that F. M. Swanzy will have
a conference with the financial men
behind the scheme during his visit to
New York. H. B. Gehr returned from
Honolulu last week where he went
with the intention of presiding at a
director's meeting. There was not a
quorum present so that nothing was
accomplished.

Heavy Earthquake at Hilo.

HILO, Nov. 22.—A vigorous earth-
quake was felt on this Island Friday
night at 10 o'clock. The shock came
in two distinct waves, probably ten se-
conds apart. The second was the more
violent of the two and made the win-
dows rattle in many Hilo homes. At
the Volcano hotel the quaking was felt
and the opinion of the manager was
that the seismic wave started from the
nether regions of Mauna Loa.—Hilo
Tribune.

Sheep Filled the Gully.

Allan Wall who returned a day or
two ago from Humuila sheep ranch
reports that 200 sheep were killed last
Saturday while a flock was being driv-
en across a gulch. Fred Clinton was
driving the cotswolds and when the
few leaders disappeared in the gully,
the main band rushed. The gully was
full of bleating sheep making a level
passage for those behind.—Hilo Tri-
bune.
